APPROVAL.....OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit to store 1350 acre-feet of water per annum for recreation and domestic purposes is issued subject to all existing rights on the source. The proof of beneficial use, when filed, must show the maximum amount of water stored and released during any one year. The State retains the right to regulate the use of the water herein granted at any and all times.

This permit is issued subject to the understanding that dam plans shall be filed in the office of the State Engineer in accordance with NRS 535.010 as soon as they are available.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, ~~but not to exceed~~ ~~the amount of water stored and released during any one year~~, but not to exceed 1350 acre-feet annually.

Actual construction work shall begin on or before December 13, 1972

Proof of commencement of work shall be filed before January 13, 1973

Work must be prosecuted with reasonable diligence and be completed on or before December 13, 1973

Proof of completion of work shall be filed before January 13, 1974

Application of water to beneficial use shall be made on or before December 13, 1976

Proof of the application of water to beneficial use shall be filed on or before January 13, 1977

Map in support of proof of beneficial use shall be filed on or before
